This program is a CASH DISCOUNT FEE PLAN not a dental insurance plan.

Patients agree that fees stated must be PAID FOR AT THE TIME OF SERVICE. Any treatment not paid for at time of service will be billed at our regular fees.

The Scottsdale Dental Excellence Dental Savings Plan cannot be used in conjunction with other special pricing or discounts offered.

For special services that require a referral, we are working with specialists that will also provide discounts starting at 10%. Any services provided and discounts given from specialists are agreements between the patient and the provider of those specialists services.

Membership fees are to be paid annually and are in effect for a (12) month period and are non-refundable. Membership will automatically renew on the anniversary date and continue thereafter until cancelled in writing. Membership fees are NON-REFUNDABLE.

Fees and plan discounts are subject to change without notice.

Missed or broken appointments without 48 hour notice will be charged \$50.

Scottsdale Dental Excellence reserves the right to decide the treatment that will be provided and whether it will be covered under this plan. Certain treatments might not be offered in this facility or with any other provider.

This plan cannot be used with CareCredit or any other financing programs.

The dental savings plan is a cash discount fee plan. Membership is designed to provide greater access to quality dental care at affordable prices without third party insurance company's involvement. This means all decisions regarding your dental treatment will be decided by you and your dentist. The plan offers discounted fees not only on preventative dentistry, but also offers coverage on cosmetic and major dental procedures like crowns, bridges, veneers, fillings, implants and even Invisalign!
